To the 8th Department.

According to advice from ZAYaTs[1] DIKTOR[11][D] has finished a project for the organisation of a branch of the IZBA[111] for obtaining strategic information in Europe in the post-war period. The dispatch of IZBA people to SIDON[iv] for this purpose is expected shortly. ZAYaTs expects to be sent temporarily to SIDON in January.

The IZBA has refused to organise an information centre in the PROVINCES[v] at the present moment, so ~~MAJ's~~ trip there is falling through.
